Profile:

Customer Experience and IT Support professional with experience in customer service, CRM management, technical support, and digital marketing. Skilled in resolving customer inquiries, troubleshooting
technical issues, managing records, and ensuring high service quality. Strong communication, problem-solving, and organizational skills with knowledge of KYC compliance, Microsoft Office, and Facebook Ads.

Experience:

Customer Experience Executive | ACE Money Transfer | January 2026 – Sep 2026

- Handled customer queries through calls, email, live chat, and support tickets.
- Resolved complaints and escalated complex issues when required.
- Managed CRM records and updated customer information accurately.
- Assisted customers with money transfer transactions and account-related issues.
- Investigated transaction delays, payment issues, and verification cases.
- Coordinated with internal departments to ensure timely issue resolution.
- Maintained high customer satisfaction while meeting service quality targets.
- Followed compliance and KYC procedures during customer interactions.
- Managed customer complaints efficiently, ensuring timely resolution and positive customer experience.
- Monitored transaction statuses and coordinated with relevant departments to resolve delays and payment discrepancies.
- Handled high volumes of customer inquiries while maintaining service quality and meeting performance targets.
- Delivered high-quality customer support by resolving inquiries and complaints related to international money transfers.
- Enhanced customer satisfaction through effective communication, problem-solving, and timely follow-ups.

Water and Sanitation Agency (WASA), Pakistan | January 2025 – January 2026

- Provided first-level IT support by diagnosing and resolving hardware, software, and network-related issues.
- Installed, configured, and maintained computer systems, software applications, and peripheral devices.
- Troubleshot internet connectivity and system performance issues to ensure smooth daily operations.
- Maintained and updated engineering and departmental records using Microsoft Excel.
- Prepared reports, spreadsheets, and presentations using Microsoft Word, Excel, and PowerPoint.
- Provided technical support to employees and ensured timely resolution of IT-related issues.

- Managed and documented public water supply complaints while maintaining accurate records.
- Assisted with data management and day-to-day IT and administrative operations.
- Managed customer inquiries and complaints related to water supply, sewerage, billing, and sanitation services.
- Coordinated with technical and operational departments to resolve service disruptions, water leakage, and drainage issues.
- Maintained accurate records of customer accounts, service requests, complaints, and administrative documentation.
- Assisted customers with billing inquiries, payment discrepancies, and water service-related issues.
- Prepared operational reports and supported daily administrative activities to ensure smooth departmental operations.
- Improved customer service efficiency through effective communication, complaint tracking, and timely follow-ups.

Freelance Digital Marketing & E-commerce Executive | 2023 – 2024

- Managed Facebook Marketplace and Facebook Business Page for the UK market.
- Created, launched, and optimized Facebook advertising campaigns to generate sales and customer inquiries.
- Coordinated with suppliers to ensure timely order fulfillment and customer satisfaction.
- Maintained product listings and updated marketing content regularly.
- Developed and implemented digital marketing strategies to increase brand awareness, online visibility, and customer engagement.
- Managed social media platforms, including content planning, post scheduling, audience engagement, and page optimization.
- Planned and executed digital advertising campaigns to generate leads, attract potential customers, and drive online sales.
- Managed e-commerce operations, including product listings, product descriptions, pricing updates, and catalog optimization.
- Conducted keyword research and implemented SEO strategies to improve website rankings and organic traffic.
- Created engaging marketing content, promotional campaigns, and product advertisements to attract target audiences.
- Monitored campaign performance using analytics tools and optimized marketing strategies based on key performance indicators (KPIs).
- Researched market trends, customer behavior, and competitor activities to identify new business opportunities.
- Optimized product pages and online storefronts to improve customer experience, product visibility, and conversion rates.
- Managed customer inquiries, online orders, and follow-ups to enhance customer satisfaction and retention.
- Supported sales growth through targeted promotions, seasonal campaigns, and customer-focused marketing initiatives.
- Analyzed website traffic, engagement metrics, and campaign results to identify opportunities for continuous improvement.
